

ELIGIBILITY

The Al Golden Scholarship is open to full-time students who have a 3.0 GPA or higher and are pursuing a post-secondary education at a North Dakota college or university in geology, engineering, science, processing plant technology, and other technical skills or trades related to energy development or processing.

Applicants must also have completed ONE of the following:

- At least six months of work and/or internship experience in the oil and gas industry, OR
- Completed at least 12 hours in geology, earth science, geological/petroleum engineering, chemistry, math, or safety.

INSTRUCTIONS FOR APPLICATION

To apply for the scholarship, please submit the following:

1. Completed form;
2. College transcripts;
3. A letter of reference reflecting on your general character, work ethic, etc. from a college professor OR past employer;
4. A one-page essay that addresses the following:
 - Brief biography about yourself and why you deserve this scholarship;
 - Career plans in your chosen major and where you see yourself in 5 years.

DEADLINE

The deadline for applications is **June 1, 2023**. Submit your application via email to info@ndpetroleumfoundation.org (preferred) or by mail to: North Dakota Petroleum Foundation, P.O. Box 7233, Bismarck, ND 58507.
